

LEG POCKET

Heavy-duty leg pocket constructed from durable Cordura® fabric for use with the Thor Contaminated Waters Drysuit. Designed for demanding environments, it attaches securely to the leg with three adjustable hook-and-loop compression straps for a stable, low-profile fit. Features robust plastic Fixloc buckle closure for secure, quick-access storage of essential equipment.

FEATURES

- Durable, abrasion-resistant Cordura® construction
- Secure leg mounting with adjustable compression straps
- Quick-release Fixloc buckle closure
- Stable, low-profile design minimises movement
- High-capacity storage for essential equipment
- Suitable for contaminated and harsh water environments
- Easy to fit, adjust, and remove
