

# 136L VOYAGER LIGHTWEIGHT WHEELED CLAMSHELL TRAVEL KIT BAG

Northern Divers Voyager Lightweight has returned with a stylish new look and improved features to ensure it lasts you for years to come. Its lighter design makes travelling a breeze and plastic zips eliminate the chance of corrosion. The wheeled holdall is perfect for those who need a travel bag for easily packing all your clothes or kit without compromising on size and capacity. Offering an outstanding 136 litres of packing space, this is a great bag for weekend-long dive trips or weeks spent abroad!

- Ø Lightweight weight design
- Ø Large packing capacity
- Ø Rugged construction
- Ø Ideal for staycations or travel abroad
- Ø Packing dive equipment, camp gear, holiday clothes and more!
